Accutrace, Inc. Announces Partnership with HealthcareSource Position Manager

Bryn Mawr, Pennsylvania, October 21, 2011—Accutrace, Inc., a nationwide full-service background screening and healthcare/military credentialing company, today announced its partnership with HealthcareSource® as a designated HealthcareSource certified integration partner.

“With more than twenty years of experience screening and credentialing healthcare professionals, the certified partnership between Accutrace and HealthcareSource is a natural fit,” said Accutrace spokesperson and director of marketing, Donna-Marie King. “This partnership enables seamless integration with the recruitment and hiring process for our healthcare clients.”

The Accutrace integration with Position Manager® eliminates redundant data entry. The result is a more efficient, accurate and timely screening process that is used by hospitals and health systems throughout the United States.

Accutrace offers comprehensive screening and credentialing solutions for [healthcare](#), which include criminal background checks, Joint Commission-compliant primary source employment, education, professional licensure and reference verifications, credentials tracking and professional license/certification renewal management, drug testing, electronic I-9/E-Verify management and FCRA compliance services, such as Adverse Action Advantage™. The Accutrace data center is SAS 70 certified.
